

Why Epson® Scanners?

Engineered to provide the reliability and compatibility that today's businesses demand, Epson's versatile scanner lineup features a wide array of mobile, desktop/workgroup, flatbed, large-format and photo scanning models. **These high-performance scanners** make it easy to capture critical spreadsheets, proposals and more. Maximize productivity and simplify file management with features like fast, one-touch scanning, automatic document feeders, and wireless network connectivity — all from a world-class lineup of scanning solutions from Epson.

Compatibility with virtually any software

Many Epson scanners come with TWAIN and ISIS® drivers!

Reliability to keep your business running

Most Epson business document scanners offer a 3-year limited warranty² with Next-Business-Day Replacement³ and free shipping both ways.

DS-870
May 2019

Award-winning products from a leader in imaging technology

With an extensive lineup featuring a wide array of features and price points, Epson gives you the freedom to choose the scanner that works best for your business needs.

Document Management Made Easy

Epson document scanners come standard with **Epson Document Capture Software** document management software — ideal for capturing, enhancing and organizing electronic documents with ease. (Excludes photo scanners)

Capture

Easily capture and store critical documents

- Intuitive menus
- Built-in navigation tools
- One-touch operation to set up common tasks
- Scan to the cloud — easily share and manage files (with the software loaded to your PC or Mac)

Enhance

Improve image quality so information can be better utilized

- Select text enhancement to sharpen scanned text and remove background
- Adjust the dpi settings to enhance or reduce image detail and file size
- Remove punch holes to recognize and delete blank pages
- Automatically rotate documents so they are facing the right way

Organize

Easily create separate files from a stack of documents with page separation features including:

- Fixed page — when each document is the same size
- Blank page — set sensitivity detection to low, medium or high
- Barcodes — use with a wide variety of barcode types
- OCR — separate jobs based on text or numbers on pages

Seamless Integration with Industry-leading Software Solution Providers

At Epson, we've partnered with over 70 leading software solution providers to ensure our scanners are compatible with a wide array of applications, representing a host of key industries.

Solutions for:

- Healthcare
- Education
- Finance
- Legal
- Government
- Real Estate
- Enterprise
- Retail

A Solution for Every Business Need	Mobile Scanners			Sheet-fed Desktop/Workgroup Scanners										Flatbed Scanners			Large-format Flatbed Scanners		
	These lightweight mobile document scanners let users scan documents, ID cards and more, whether working in the office or remotely. For even more flexibility, this versatile lineup includes wireless, battery-operated and ADF models for easy, efficient organization in virtually any setting.			These fast, efficient scanners breeze through stacks of 2-sided documents — plus rigid ID cards, documents up to 8.5" x 240", and more. Designed for situations where speed is critical and dependability is paramount, these workgroup scanners offer world-class performance at competitive price points.										Offering high-speed duplex document scanning, along with flatbed versatility, these scanners are the smart solution for fast, easy scanning for virtually any need. Use the high-capacity ADFs to blaze through stacks of 1- or 2-sided documents.			Ideal for oversized or odd-sized items, these large-format flatbed scanners deliver the flexibility you need for special projects that can help seal the deal.
